

The California-Nevada JATC

Mission Statement

The mission of the California-Nevada JATC Apprenticeship is to provide IBEW Local Unions and Signatory NECA Contractors with the highest caliber of Journeyman in the industry. This is accomplished through disciplined leadership, industry leading training tools and the best in class curriculum all while instilling an unmatched work ethic and pride in our apprentices. Journeymen who complete our program practice safety as top priority, are the most skilled craftsmen, produce the highest quality product and demonstrate moral and ethical professionalism directly reflecting the core values of the JATC.
